

NOTICE

Persons intending to buy lots for residences should first check with the Town Office as to building regulations, width and length of lot and area required. Some persons are buying lots on which the Town cannot issue a building permit.

TOWN COUNCIL

The Town has eight (8) choice residential lots for sale, on water and sewer line. Will be sold at a low price for construction of residences now. Will not be sold for speculation.

Mr and Mrs. John R. Wells of East-end, Saskatchewan are guests at the home of Mr. and Mrs. Stuart Card.

Mr. Wells, who was the Manager of the Bank of Montreal here nine years ago, has now retired and they will now make their home in Vancouver where their children Donald and Peggy are married and living.

Lions Elect Officers

Lions At Night

The local Lion's International held their Election meeting on Monday the 4th at the Canadian Legion Hall at 7:30 p.m.

The feature of the meeting was an excellent address by Lion Rayo Woolf on Lion's International. Election of officers for the coming year resulted as follows:

President — H. Karaki
First Vice President — Frank Ball
Second Vice President — George Swedish
Third Vice President — Deb. Thompson
Directors — M. King and T. Hironaka
Tail Twister — Murray Holt
Lion Tamer — Joe Strong
Secretary Treasurer — L. L. Harker (re-elected)

When Max was in Grande Prairie getting the press last winter he gave such an enthusiastic description of Raymond and Raymondites, one of the families decided it might be a good place to move to. One son, Ron Simms made the move last week and is employed at the local Dairy.

He expects the rest of the family to join him this summer.

By Mary Winkler

The students in the new Raymond Highschool seem to be quite busy these days. The teachers are too—trying to give all the sluffers their fair share of the work. Everybody is in a mad hustle.

Now that our quarterly exams are over with, the students can now start cramming for the finals.

The last few days those applying for jobs have been interviewed and by the looks of things, there'll be quite a few representing Raymond at Waterton.

The grade elevens are busy with their new project "Beautifying Our Town". They have taken on this project in Social Studies. What can be done with our town? That's our problem and they are finding it out. As soon as the Survey is completed a few articles will be printed to show you in what state our town is. Are we proud of the town we live in?

Tragedy comes with accidents; so the sociology class have chosen to study "Safety on the Highways".

If we would stop to realize what really goes on, on the highway, I'm sure we would have fewer accidents and less reckless drivers.

Graduation for those in Grade 12 is less than a month from now, June 5th. We wish to invite all of you to the graduation exercises to be held in the Stake House and to the Dance in the Opera House.

At this time the student body of the Raymond High School would like to express sincere sympathy to Malcolm Smith.

Mr and Mrs. Ira Bourne were the dinner guests of Mr and Mrs. Elgie Bourne of Magrath on Sunday.

Korean Boy Hopes For American Future

Kim Hyun Gun, a sixteen year old Korean orphan boy already considers Bremerton, a city he has never seen, his home.

The handsome smiling boy who miraculously escaped death during the bombing at Seoul, will be a Bremertonian if the dreams of Cpl. James K. Hill, 24 year old son of Mrs. Stella Hill come true.

Hill, stationed only ten miles behind the front lines in Korea, is negotiating with Korean and American Governments to adopt Kim. Jimmy wrote that he came across Kim near the front shortly after arriving in Korea and immediately took to the boy.

"The kid is a real morale builder" he wrote his mother. "He keeps us laughing. Kim's entire family was wiped out in the bombing. His father, Jimmy reports, was a Korean newspaper man and his mother an author. Kim wrote a note to Jim's mother which he interpreted.

"I like Jim very well, he is my best soldier friend. I hope I can stay with him. I think I would like your other son and daughter very well. God Bless You. Kim, the letter read.

Jimmy who worked in Bremerton with Sears Roebuck during the summer months while attending the BYU in Provo, Utah, has been in Korea since October with the 27th Infantry Regt, more popularly known as the "Wolfhounds". He is the oldest grandson of Mr and Mrs. L. D. King. He plans to leave Korea sometime next August when his Army hitch will be over and he hopes Kim can come along with him.

Mrs. Marva Nalder, Mrs. Honnie Heninger and Mrs. Vanda Grey spent a couple of days in Calgary last week at which time Mrs. Nalder had a medical check up on her leg and received the good news that all was still well as far as her leg is concerned.

Mrs. Grey visited her daughter Mrs. Jean Elbert.

Rotes Hear Talk On Heart Trouble

Members of the Rotary Club had some questions on Heart Disease answered when Dr. Harlan Taylor told fellow-members some of the causes and effects of heart trouble. After the comprehensive report Dr. Taylor answered the questions of members.

T. Geo. Wood was welcomed back to the Club after having spent the winter months in the south. John Wells, a former member and Bank of Montreal manager here, was a guest and told of conditions existing in East-end, Saskatchewan, where he has been for the past six years. Mr. Wells told the Club that they have had only one good crop in the past nine years. For the piscatorial enthusiasts trout abound in the creeks, some small enough to step across, of that district. Champion as far as Mr. Wells is concerned is one of about nine pounds.

Mr. Wells was on his way to the West Coast where he will take life easy after his retirement from banking duties.

As usual the ladies served up a delicious meal.

Mrs. Elsie Smith Is Laid To Rest

Her entire family and a large congregation of relatives and friends paid their last respects to Mrs. Elsie Smith last Friday when Funeral Services were held in the Second Ward Chapel.

After the opening prayer offered by Louis Brandley, the choir conducted by Gen. Hawkins with Dora Oler at the organ, sang "Sometime We'll Understand". Bishop Jensen, who was in charge, spoke briefly on her Church Activities following which "The Long Day Closes" was sung by Evelyn Melchin. Gen. Hawkins, Velma Bigelow and Laura Watson. After President Palmer's talk giving a history of her life, Mr. and Mrs. Jim Harker sang "Beyond The Sunset" with President Walker being the next speaker. Joe McLean's rendition of "Going Home" was followed by a few remarks by Elder J. Y. Card of Cardston. The Benediction was offered by Charles H. Eveson.

The Smiths eight sons were pallbearers and D. A. Bennett Dedicated the Grave in Templ Hill Cemetery.

Surviving Mrs. Smith, who passed away on May 4th after a short illness, are her husband Sidney B. two daughters Mrs. Doris Larson of Rosemary and Madeline of Calgary; eight sons, Sidney H. of Rosemary, Franklin of Magrath, Dr. Thurston of Edmonton, Sloan of Toronto, Tennyson of Salt Lake City, David of Edmonton, Arthur of Ottawa and Malcolm of Raymond.

Mrs. Smith was born in Birkenhead England on September 22, 1897 and was the daughter of Thomas Sloan and Mary Yates. While still a baby she was placed in the care of her father's mother and sister (Aunt Polly) and lived with them until she was 16 years of age at which time she went home to her parents. When ten years of age she could write Pitman shorthand very well; her aunt being a shorthand teacher.

While in Public School she won a Scholarship which entitled her to a course in a Business College in Liverpool which prepared her for the position of a stenographer in a large office in that city.

She excelled in sports; won prizes in foot racing, was a good swimmer, was captain of a girl's soft ball team and at the time of her marriage at 18 could jump 2 inches above her own height.

Sidney and Elsie met on a ferry boat crossing the river Mersey in 1916. They were married November 9th of the same year. After the first baby was born Sidney went overseas to France. While he was in France, Elsie worked in a munitions factory and experienced the thrill of watching Zeplins flying overhead while she was filling shells. She also escaped death when a number of her fellow workers were blown up.

Mrs. Smith fulfilled a two year mission in Birkenhead after the missionaries were recalled from England and also served as a councillor in the Relief Society Presidency of the Liverpool Branch.

Three children were born in England and eight in Canada. One son predeceased her in 1940 at the age of 6½ years as the result of an accident. This little son was Norris Easter. There are also 27 grandchildren.

On arriving in Cardston in 1922 the Smiths stayed ten days at the home of J. Y. Card and then proceeded to Hillspring where Bishop Fisher had arranged quarters for them. Mr. and Mrs. Ole Oleson shared their home with them for a few weeks; later moving into a log house on 20 acres of land owned by Bishop Fisher.

On Monday evening Mr. and Mrs. Louis Brandley entertained at an informal get-together in honor of David who recently returned from fulfilling a thirty month mission in Eastern Canada. The happy evening was spent looking at old family pictures and playing games by the Harold Fairbanks Jr. Jim Heningers, Paul Redds, Don Steeds, Bob Brandleys, and Albert Brandleys and Earl Nelsons of Stirling.

Mr and Mrs. Derald Miller had as their guests on Sunday between Conference Sessions, Mr. and Mrs. Cliff Miller of Magrath.

W. I. Hold Mother's Day Party

On Friday May 8th, a Mother's Day party was held in the Legion Hall, with Mrs. Parley Meldrum, Mrs. W. Greep and Mrs. Woolford acting as hostesses.

With President Mrs. D. Paxman presiding, the meeting opened with members singing "Quilling Party". Mrs. T. Allan led members in repeating the Creed, Roll Call was answered with a "Health Hint". There were 19 members and 9 visitors present.

The program consisted of a piano solo by Mrs. R. Tollestrup, Parlor Jokes were given by Mrs. Anne Turner, two vocal solos by Mrs. G. Court and two numbers from a Ladies Trio, Velma, Gen and Laura, "My Mother's Eyes" and "When We Were Young". Community singing was then enjoyed by all, led by Mrs. A. Winkler.

Mrs. D. Paxman, who was the delegate to the District Convention latter part of March, gave a very comprehensive report of the proceedings, and of the Banquet which followed the Convention.

Mrs. Frank Hall gave a review of the important topics from the "Home and Country" and mentioned that the Provincial W. I. convention would take place in Edmonton, on May 25th to 28th. Mrs. M. Holland was appointed as delegate from our Branch.

Mrs. Parley Meldrum won the door prize, a cup and saucer, and a prize was awarded to the Grandmother with the smallest family of grandchildren. This prize went to Mrs. Heber Allen and Mrs. Woolley won the prize for having the oldest grandchild.

After the meeting adjourned a delicious lunch was served by the hostesses and a wonderful time was enjoyed by all.

The W. I. report a very successful Pantry Sale which was held on May 9th. Around \$60.00 was cleared and Mrs. K. Nemedi was the lucky person to win the quilt.

Mrs. Emma Dahl, Mrs. Lavern Anderson and Mrs. Ruth Salmon have returned home after an extended holiday in the States.

Bee Hive Girls Inspect Print Shop

The Gatherer Class of the Bee Hive Girls of the First Ward were visitors at our shop Tuesday night where they had a lot of fun "stamping" their hands on the ink covered type. It was a pleasure to have the girls come in and see how our machines operate. They were accompanied by their teacher, Mrs. John Roberts.

We will be pleased to make arrangements to show any other class or group through our shop—all you have to do is ask!

To be eligible for Registration a child must be six years of age on or before October 1, 1953, and parents be asked to bring proof of the child's age when Registering.

J. O. HICKEN, Principal

The beautiful portrait of Queen Elizabeth, reproduced above, was completed last summer by a woman who is Britain's most famous living painter of royalty, Margaret Lindsay Williams.

Miss Williams had told the Queen's lady-in-waiting that she would like to make the portrait "a regal painting". The Queen smilingly obligated and appeared for her sitting wearing a diamond tiara, a diamond necklace and the Ribbon and Star of the Garter. On her left wrist she wore a platinum bracelet watch, one of her favorite pieces of jewelry.

The Queen was completely natural and when poses were discussed Her Majesty gladly tried out various positions until the most suitable pose was decided upon. She chatted amiably and during rest periods inspected the canvas to see how the portrait was taking shape.

Official Coronation pictures are now on sale at the Recorder Office

Orson Anderson Suffers Fall

Orson Anderson was the victim of a freak accident the other day but is very happy to be around to talk about it. He was working on the new Recreation Hall wheeling loads of rocks and just as he lifted one load he blacked out completely. He says that he remembers no sensation of falling but fell he did—right on his head on a pile of rocks. His fall was cushioned by his hat and his hands, and after spending a couple of days at the local hospital he was released little the worse for his experience, with the exception of some very sore muscles.

Mr. and Mrs. Reed Litchfield accompanied Mr. and Mrs. Rufus Sherwood of Cardston to Taber on Sunday to be present for the Christening of their grandson Ryan Robert Litchfield. They were the dinner guests of Mr. and Mrs. Bob Litchfield, after which Litchfields spent a short time visiting the Earl Geddlemons.

1 1/2 millions?

2 1/4 millions?

4 millions?

How many Canadians keep warm with oil?

More than 4 millions. Oil is used in the furnaces or heaters of more than a million Canadian homes—better than one in four.

Oil plays a large and growing part in our everyday living. How many of these questions about it can you answer?

How does Canada rank among the nations in known oil reserves—

8th? 17th? 21st?

How many barrels of oil (35 gallons to a barrel) do you think Canadians use in a year—

8 millions? 165 millions? 300 millions?

When the Leduc field was discovered, the wholesale price of gasoline at Edmonton was the highest of any major Canadian city. Today it is—

even higher? lower? about the same?

Energy produced at Niagara Falls each day is equal to that in 9,000 barrels of crude oil. Prairie oil fields now produce energy equal to how many "Niagaras"—

2? 11? 18?

Taxes take a big part of a company's income. How would you say Imperial's 1952 tax bill compared with its dividends? Was it—

greater? less? about the same?

Far down the list a few years ago, Canada now ranks eighth. Except for a group of Middle East countries—Iraq, Kuwait and Saudi Arabia—only the U.S., Venezuela and Russia have larger reserves.

Last year 165 million barrels—about one gallon for every man, woman and child. Canada uses twice as much oil as she did six years ago.

Edmonton's wholesale gasoline price is now the lowest in Canada, 10% below the average for other leading cities. The new discoveries mean price savings of millions of dollars each year to the people of Alberta.

The energy of the oil produced in the western oil fields each day is about 18 times that generated at Niagara.

Taxes were \$55 millions, about 2 1/2 times dividends to shareholders. For each dollar of income, Imperial paid 10¢ in taxes and 4¢ in dividends. Tax figures do not include gasoline sales tax paid at the pump.

MRS. ELSIE SMITH
(continued from page one)

In 1925 they moved to Raymond where Mrs. Smith has been active in the various church organizations in the Second Ward, especially the Primary and Junior Sunday School as well as eleven years on the Genealogical Committee and the Stake Sunday School Board. Most of the stories she told the children of the various wards and branches were invented on the spur of the moment and the children loved them. Elsie was the only member of her father's family to join the LDS Church. She was severely criticized at the time but her relatives are now friendly towards it as a result of their acquaintance with three of the boys who served overseas in uniform and one boy as a missionary. Eight years ago she accompanied her husband on a mission to Saskatchewan but after five months had to return as five of the family were taken sick. While in that city she organized eight primaries and had them all operating, besides doing her regular missionary work. On a recent trip to Salt Lake City to do Genealogical work she secured the names of nearly 1000 of her progenitors.
